Welcome

to **Focused on Beef**

We're proud to share the cattle we've worked hard to breed and develop. Every Beefmaster and Droughtmaster in this catalogue is the result of careful selection, proven genetics and a genuine passion for producing functional cattle that perform.

Our breeding programme is built around the things that matter most: fertility, structural correctness, growth, adaptability and consistency. We believe good cattle should not only look the part - they should work in the veld, add value to your herd and continue doing so for years to come.

Whether you're looking for a herd sire or new genetics, we hope you'll find animals that fit your breeding goals and make a real difference in your operation.

Thank you for taking the time to be part of our sale. We truly appreciate your support and look forward to visiting with you on sale day.

Kind regards,

Chippy, Shannon
& the Focused on Beef Team

Vaccinations

**Tests:**

Fertility, Trich, CA & TB

Vaccinations:

- Covexin
- Respirivax
- Gall Sickness Blood
- Three Day Stiff Sickness
- Lumpyvax
- Redwater African Blood
- Redwater Asiatic Blood
- FMD Dollvet Vaccine

**Tests:**

Fertility, Trich, CA & TB

Vaccinations:

- Covexin/Coglavax
- Lumpyvax
- Three Day Stiff Sickness
- Botuthrax
- FMD Dollvet vaccine.
